NHAPSC

WHAT IS NHAPSC?

The New Hampshire Association of Professional Service Coordinators (NHAPSC) is a membership organization established in 1998 to enhance the skills of its members and to advocate for the expansion of the profession.

With technical support from New Hampshire Housing Finance Authority (NHHFA), NHAPSC encourages its members to participate in a variety of educational experiences. NHHFA offers professional workshops and discussion groups and supports NHAPSC meetings that provide opportunities to better understand available community resources.

NHAPSC meetings are held quarterly with time for networking, education and the sharing of issues and ideas.

Membership includes service coordinators, property managers, family service providers and other community professionals who serve older adults, adults with disabilities, and families with young children.

MEET OUR MEMBERS

Some of our members answer the question "Why did you join NHAPSC?"

"It is more than refreshing to gain new insights and perspectives from colleagues. Everyone benefits, especially the residents we work with." **Anastra Madden, The Pines, Ocean Park, ME**

"As a member, I never feel alone with questions, problems or the issues I face as an RSC. We share our failures and successes and the support we receive helps make us better able to serve our residents." **Pauline DiNatale, Lane House, Littleton, NH**

"Membership is crucial to advancing our profession and advocating for our residents. It helps us provide each other with encouragement, education and a sense of belonging to something "bigger" than the properties to which we devote our time, energy and passion." **Lorraine Jost, Parkhurst Place, Amherst, NH**
