Spring 2015

Volume 1 Number 1

Guest Speaker Kelly McDonough will speak on Hoarding at the NHAPSC March 4 meeting. Kelly spoke at the 2014 NH Healthy Homes Conference on the social issues of hoarding. Her presentation will focus on the challenges that go along with hoarding and how we will look at hoarding vs. clutter. Join with other RSC's and try to gain an understanding of what hoarding is really about. This free seminar will be held at New Hampshire Housing, 32 Constitution Drive, Bedford NH on March 4 starting at 10:00. Please RSVP Lynn Greenleaf Lippitt at llippitt@nhhfa.org if you're planning on attending.

President's Corner

With a new year upon us I thought I would begin to send out a quarterly newsletter to keep you and your fellow NHAPSC members aware of upcoming events and invite any one of our members to add some "words of wisdom" in future issues. As we already know, NHAPSC is a very important organization for the RSC's serving NH and the Board is looking forward to offering the best information and training we can during the upcoming year. We hope this newsletter opens up conversation and helps, in its own small way, to spread the word about NHAPSC and to benefit its members. I hope to see you all at the March 4 meeting.

Articles Needed

Are you an author ready to bust out and become famous? Or, are you a person of many talents that isn't afraid to share your knowledge? We need both to make this newsletter lively and interesting (you don't want to read just about what I write). Feel free to send any ideas and or articles for the newsletter to me.
